HOROSCOPES

This Week: Your creativity is in full swing. You might choose to join a loved one for some hot chocolate. Lose your inhibitions. This Week: You command the stage, and others look up to you. This Week: You own Monday and Tuesday. People will flock to you. You have much to share. They might be taken aback by what you say. This Week: Handle a financial issue sooner rather than later. A partner could be in the mood to take out and put up an argument. And others look up to you. This Week: If you can work a financial issue. This Week: An overview of your day-to-day life becomes more important. Now you can squeeze out. You do not have to do much. This Week: You own Monday and Tuesday. People will flock to you.
